

Fall Perennial Prep

It's time to look over the garden and discover too large clumps of plants you'd like to donate to the Plant Sale.

These perennials may be divided in early autumn, potted, labeled and dug in for the winter. If you don't have such a spot, we'll find you one!

Achillea (Yarrow)

Aconitum (Monkshood)

Aegopodium

Ajuga

Amsonia

Anemone (fall-flowering only)
